IN RE: PARKER MOVING SERVICES,)	
LLC.)	

BEING duly deposed and sworn, Affiant states:

1. My name is Tucker Payne, and my address is 169 King St., Charleston, SC 29401.
2. I am giving this affidavit in support of the application of Parker Moving Services, LLC for a Class E Certificate of Public Convenience and Necessity with statewide authority to move household goods to points and places throughout the state of South Carolina.
3. I am the owner of Tucker Payne Antiques and have been so for the past eleven (11) years. I have a total of twenty-nine (29) years in the business. My responsibilities include hiring professionals for the purpose of transporting the goods that are purchased at my store.
4. I know of the need for household goods movers in South Carolina because there are a lack of options for shippers who specialize in the transport of the types of goods that Mr. Parker will be transporting. Most often, the transporters are already booked.
5. Based on my knowledge of the need for household goods movers in South Carolina, I believe the public interest would be served by granting a Certificate of Public Convenience and Necessity to Parker Moving Services, LLC.

6. I also would like the Commission to know the following information about the Applicant: Mr. Parker specializes in moving high-value items and antiques, a specialty which is underserved in the trade, and the expansion of which would not harm existing carriers, flood the market, or otherwise harm existing operators.
